CORRECTION TO APPEAL BRIEF

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Notification of Non-Compliant Appeal Brief mailed June 12, 2007. According to the notice, the brief lacks a concise explanation of the subject matter in the independent claims. It is noted that Paragraph V. of the brief erroneously refers to Claim 1, now canceled.

Please amend Paragraph V. of the Appeal Brief to substitute "Claim 12" for "Claim 1" referenced in the brief as filed.

Claim 12 is the sole independent claim in the application and is the claim for which a concise explanation is provided in Paragraph V. in the Brief. Confirming the telephone conversation between the undersigned and Mr. Reginald Tyson of the Office on July 5, 2007, Paragraph V. will be in full compliance, with the foregoing correction.

Any questions concerning the foregoing should be directed to the undersigned.

Respectfully submitted,

LAURENS WOLTERS
